

Dear customer,

As summer winds down it's time to get serious about your skin again. Whether you're heading back to school or things are firing up at the office, you need to look your best. Use 4VOO dynamic lift treatment for the confidence and sexiness you know you need.

The 4VOO dynamic lift treatment is a luxurious serum of concentrated regenerative ingredients, this efficacious product delivers instant visible results, quickly lifting and tightening your skin to give you a firmer, younger and healthier appearance.

Our exclusive three phase, silk-enriched formulation is designed to address the short, medium, and long term requirements for perfect skin. 4VOO dynamic lift treatment gives immediate visible lift, rebuilds the skin matrix, and reduces the appearance of fine lines and wrinkles for smoother, suppler skin

PHASE 1 - Instantly Smooths

4VOO Skin Tightening Complex - Is an exclusive formulation containing polymannuronate and prolamines rich in glutamine and glutamic acid. 4VOO **STC** revitalizes and rejuvenates tired or stressed skin, provides an immediate lifting effect, instant radiance, and visible smoothing.

PHASE 2 - Maintains Youth

4VOO Matrix - Stimulates fibroblasts to reconstitute the extracellular matrix of the skin leading to the synthesis of collagen, fibronectin, and glycosaminoglycans. This physiological activity repairs the epidermal-dermal junction to reduce wrinkle appearance.

PHASE 3 - Long Term Benefits

4VOO Multi-Peptide Formulation - Is an exclusive formulation of peptides that reduces the appearance of fine lines, wrinkles, and age spots, while increasing skin firmness.

The overall results?

Luxurious silk-enriched 4VOO dynamic lift treatment addresses the short, medium, and long term requirements of your skin to provide immediate visible lift, rebuild the skin matrix, and reduce the appearance of fine lines and wrinkles for smoother, suppler, more youthful looking skin.

4VOO dynamic lift treatment decreases:

- surface occupied by deep wrinkles by 45%
- density by 37%
- depth by 15%
- volume by 19%
